

D-Contour Molded Pressure Relief Cushion with Elastic Cover

The D-Contour cushion by DDO is a very effective, affordable, light weight, pressure relief cushion for wheelchair users. The cushion enables easy customization anywhere in the field to suit each individual user's needs.

The cushion can be used on any slung seat wheelchair.

Structure

The D-Contour includes a deep contoured base, a specifically designed insert, deep gluteal contour at the back and unique features which enhance pressure management and positioning. An elastic cover follows deep contours and anatomically shaped features.

The D-Contour was tested to the PDAC Immersion test modified from ISO 16840-2. Testing by EC Service, an ISO Certified Test Laboratory under ISO 17025:2005. Certified by ANSI-ASQ National Accreditation Board.

The Design is consistent with the World Health Organization guidelines on the provision of manual wheelchairs in less resourced settings and is serviceable thanks to the wheelchair service training packages.

Unit/Size	S	M	L	XL
inch (Width x Length)	14 x 18	16 x 18	18 x 18	20 x 18
cm (Width x Length)	35 x 45	40 x 45	45 x 45	50 x 45

Note: The cushion length can be shortened from the front by cutting out the cushion base to the desired seat depth.

Cushion material Molded Polyurethane foam core and Expanded Polyethylene insert
Cushion cover materialRear corners and bottom: Oxford Nylon water resistant, breathable; Top, sides and front: Spandex Elastic, breathable
Approximate product weight1.2kg/ 2.5lb
Weight capacity114kg/ 250lb
Tested according to ISO16840-2Yes
